Smarter Building Technologies Alliance

ADVANCED SERVICES FACILITY MANAGEMENT

EMPOWERING FACILITY MANAGERS FROM END-TO-END

Smarter Building Technologies (SBT) Alliance is committed to providing our facility management partners with the tools they need to work smarter and deploy projects faster.

Through our unique set of value-added products and services, SBT redefines how energy efficiency and Internet of Things (IoT) solutions are engineered, delivered, and supported long term. Pulling on our comprehensive experience deploying smart wireless control systems over hundreds-of-millions of square feet of commercial spaces, SBT Alliance works hand-in-hand with our facility management colleagues as a support partner from end-to-end of a project.

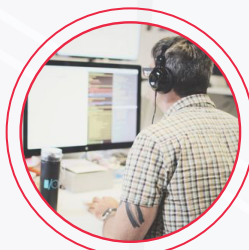

Whether you're updating an existing facility for tenant improvements, have plans underway to build a new building, or perhaps you have a current control system that's causing you some heartburn, SBT Alliance is your trusted IoT support partner.

With three internal divisions supplying the products and services you need to create SMART spaces, SBT Alliance also provides much needed long-term system support. By pooling the strengths of our internal divisions & IoT Ecosystem Partners, we equip you with a single path to a smarter facility.

PROJECT MANAGEMENT & LOGISTICAL SUPPORT

SBT Alliance provides our facility management partners with dedicated project management and logistical support to streamline the deployment of LED lighting & smart IoT controls projects.

SYSTEM DEPLOYMENT & TECHNICAL SUPPORT

Pulling on SBT Alliance's vast deployment experience, we work hand-in-hand with our facility management partners to commission systems remotely and provide advanced technical support to installers.

ONGOING OPTIMIZATION & TECHNICAL SUPPORT

SBT Alliance continues to work with our facility management partners long after a project is completed. SBT's technical support team additionally provides system optimization, reporting, and support services through our innovative SUPPORT | HUB tablet.

SMARTER SPACES. MADE EASY.
